

Tantus|OnPoint

Mentor-Protégé Joint Venture Fact Sheet

Tantus|OnPoint Joint Venture

The Tantus|OnPoint Joint Venture was formed by Tantus Technologies, Inc. (Tantus) and OnPoint Consulting, Inc. (OnPoint), under the U.S. Small Business Administration's (SBA) Mentor-Protégé Program, to provide the Federal Government with high-quality, information technology support services.

About the SBA Mentor-Protégé Program

The Mentor-Protégé program is offered under the 8(a) Business Development Program. It is intended to enhance the 8(a) company's capability to successfully complete in Federal Government procurements.

The Mentor firm (OnPoint) and the Protégé firm (Tantus) entered into a written agreement outlining the services provided by OnPoint. SBA reviewed and approved the agreement and monitors the success of the relationship.

Advantages of the Tantus|OnPoint Joint Venture

- Less risk to the Government as Tantus|OnPoint provides agency knowledge and work experience combined with financial stability, staffing, and technical expertise
- 100% 8(a) and/or Small Business credit to the Government
- More effective delivery of services to Government as a result of Tantus receiving organizational maturity assistance in the form of technical and financial management, operations and infrastructure support, expanded corporate capabilities, and business and proposal development
- Growth opportunities for both Tantus and OnPoint that may not exist outside of this program
- Applicable NAICS include, but are not limited to
 - 541511 ▪ 541319 ▪ 541690 ▪ 561210
 - 541512 ▪ 541611 ▪ 541710 ▪ 517110
 - 541513 ▪ 541618 ▪ 561110 ▪ 517910

Proven Success

Awarded the ABA Financial Support Services contract by the Federal Aviation Administration (FAA). This seven-year contract, valued at \$89 million, is to provide technical support for ABA's mission critical financial systems and processes.
